ESTATE PLANNING TABS — 8-TAB SET

Free printable estate binder separator pages · from Tabzoola.com

WHAT THIS IS

One page per section, in the order the binder is read. The common attorney set: two banks of four on a 1/4 cut. Each page has a centered separator label and the true staggered tab position for a 1/4 cut, so on 9 x 11 tab stock the small label lands on the tab.

HOW TO USE IT

1. Print at 100% scale (not 'fit to page'). Delete this cover before filing.
2. On plain 8.5 x 11 paper: each page is a section separator sheet.
3. On 9 x 11 tab stock (1/4 cut): the small label lands exactly on the tab.
4. Pages are 9 x 11 portrait — on letter paper the tab area simply trims off.
5. Rename any section: this is a starting list, not legal advice.
